Solo exhibition: **Georgie Nettell**

Quality Of Life Gallery Glasgow, 18 July 2026

The Gallery occupies the former Public Room of a Victorian tenement dating from c. 1871. Its floor is covered by a carpet attributed to James Templeton & Co. Ltd, c. 1925. Golf is a standardised system for converting land, movement and uncertainty into a sequence of measurable outcomes.

LIST OF WORKS

COMPLEX, DYNAMIC SYSTEM (World Machine Narrative)
Polyester flag, PVC flagpole and regulation golf hole fitted with a UK-size plastic hole cup.
Flagpole: 84 in. (213 cm) long; flag: 16 × 11 in. (43 × 28 cm); hole: 4¼ in. (10.8 cm) diameter; cup: 6 in. (15.2 cm) deep. Variable orientation according to air movement.

The room pretends to be a gallery, pretending to be a golf course pretending to be an economy. The hole is playable, but nothing is played.
